

Mid-Size 700 Series

Contact us 800-433-5620
today: hiniker@hiniker.com

Features and Benefits:

- Hydraulic scissors lift cuts transport bounce, eliminates lift chains.
- Fully hydraulic lift and angling system.
- Optional LED or Halogen headlights.
- 6 Vertical and 2 diagonal ribs provide strength and support.
- Full moldboard trip system helps protect plow and truck.
- Low maintenance poly (or stainless steel) moldboard surface reduces friction, never needs painting.
- 3/8" x 6" high-carbon steel replaceable cutting edge.

Get the reliability and convenience that Hiniker mid-size plows are famous for, in your choice of either HDPE or stainless steel moldboards! Hiniker 700 Series plows are built for homeowners and small businesses who do their own winter property maintenance.

Commercial quality lights, wiring, controls, and hydraulic components provide unparalleled reliability in a compact plow.

Optional Accessories:

- Skid Shoes
- Curb Guards
- Wear Bars
- Snow Deflectors
