

Conventional 7000 Series

Contact us 800-433-5620

today: hiniker@hiniker.com

Features and Benefits:

- Optional LED or Halogen headlights.
- 1/4" thick HMW low friction polyethylene moldboard never needs refinishing.
- Externally mounted pump simplifies installation, comes off the truck with the plow.
- The high-tensile steel superstructure of the moldboard provides exceptional resistance to bending and twisting, for extra heavy-duty applications.
- 30" tall high curve, high-density polyethylene moldboard is dent-resistant and corrosion-free.

The ULTIMATE Performance With Hiniker Trip-Edge Straight Plows

The horizontal-truss moldboard design provides incredible strength, durability and resistance to bowing. The corrosion-proof HPDE moldboard is dent-resistant with less surface friction for easier plowing and greater efficiency. Protection is provided by Hiniker's exclusive split trip-edge design.

Optional Accessories:

- Skid Shoes • Curb Guards • Wear Bars • Snow Deflectors • Box Ends

Specifications

| MODEL | 7814 | 7914 |
|-----------------------|-------------------------|-------------------------|
